

INTERSTATE COMMERCE COMMISSION

CERTIFICATE \*

No. MC 184560 (Sub 3-C)

ATLANTIC TRUCKING COMPANY, INC.  
NORTH CHARLESTON, SC

This Certificate is evidence of the carrier's authority to engage in transportation as a common carrier by motor vehicle.

This authority will be effective as long as the carrier maintains compliance with the requirements pertaining to insurance coverage for the protection of the public (49 CFR 1043); the designation of agents upon whom process may be served (49 CFR 1044); and tariffs or schedules (49 CFR 1312). The carrier shall also render reasonably continuous and adequate service to the public. Failure to meet these conditions will constitute sufficient grounds for the suspension, change, or revocation of this authority.

This authority is subject to any terms, conditions, and limitations as are now, or may later be, attached to this privilege.

For common carriers with irregular route authority: Any irregular route authority authorized in this Certificate may not be tacked or joined with your other irregular route authority unless joinder is specifically authorized.

The transportation service to be performed is described on the reverse side of this document.

By the Commission.

(SEAL)

SIDNEY L. STRICKLAND, JR.  
Secretary

NOTE: If there are any discrepancies regarding this document, please notify the Commission within 30 days.

To operate as a common carrier, by motor vehicle, in interstate or foreign commerce, over irregular routes, transporting (1) general commodities (except hazardous materials and household goods), between points in the U.S. (except AK and HI); and (2) for or on behalf of the United States Government, general commodities (except used household goods), hazardous or secret materials, and sensitive weapons and munitions), between points in the U.S.

\*This authority cancels No. MC 184560 (Sub 3-C), issued February 14, 1991, and is reissued to remove the term limitation.

NOTE: Willful and persistent noncompliance with applicable safety fitness regulations as evidenced by a DOT safety rating of "Unsatisfactory" or by other indicators, could result in a proceeding requiring the holder of this certificate or permit to show cause why this authority should not be suspended or revoked.
